## 2024 DISTRICT WOMEN'S ADVANCE

Welcome to the FAQ page for Women's Advance. If you have questions beyond what this document covers, please feel free to reach out to the District's Women's Advance Team Leader, Pastor Missy Humber, at [missyhumber@orpac.org](mailto:missyhumber@orpac.org).

This year's theme is Rooted & Built up. Last year we came together to remind women that they were made on purpose for a purpose. Rooted in this truth, we will come together to be built up and empowered to take another step forward in a purposeful way! Together we advance! We expect another amazing weekend of great transformation to take place at Kellogg Springs Camp from September 6-8, 2024. Join us for worship, fellowship and a powerful message from Rev. Dr. Samantha Chambo.

Come experience Chef Melanie's amazing food. Take a ride on the zip line or trying out the new climbing tower at camp. Spend time at the altar in the Chapel, read a book in the relaxation room, take a hike in the trees or play board games. Connect with women from all walks of life and from all over Oregon in the beautiful Umpqua Valley.

# COMMONLY ASKED CAMP QUESTIONS

## Question 1 - Where is Kellogg Springs Camp located?

Kellogg Springs Camp is owned and operated by the Oregon Pacific District Church of the Nazarene and is located in Southern Oregon. The camp sits on a very large hill in the middle of tall fir trees. The locations of building around camp are either up the hill from one another or down the hill. Walking shoes are essential! The address is: 1111 Kellogg Camp Ln, Oakland, OR 97462. The closest pharmacy, Dutch Bros, Starbucks and grocery store are 18 miles away (about 20 minutes) in the town of Sutherlin. The closest hospital and more shopping options are in Roseburg, which is about 35-40 minutes from camp.

## Question 2 - What kind of lodging is at camp? Where are the bathrooms?

Kellogg Springs Camp is made up of mostly of cabin style lodging, sleeping anywhere from 6-18 people. Most of the beds are twin bunkbeds, but some cabins do have one queen size bed within the room. Some cabins have bathrooms within the cabin. Some cabins have bathrooms close by and share a large bathhouse. Besides bathrooms in certain cabins, there is a large bathhouse, bathrooms above and below the dining hall, in the activity room and in the chapel.

## Question 3 - What about food? What if I have a food allergy?

Kellogg Springs Camp has a Chef who prepares your meals. She loves to share Christ's love through food. She is extremely talented and can handle even complex allergies. If you have any questions about food needs. Please contact Pastor Missy.

## Question 4 - Where do I park and where do I go when I first arrive at camp?

There will be parking attendants to help guide you when you first arrive at camp. The campground is about 1 mile from the highway up a winding gravel road. Carpooling is suggested. Leave your luggage in your vehicle and head to onsite registration/check-in, which will be held near the Dining Hall (the big green building close to the circle driveway). Greeters will help guide you after you have parked. During the onsite registration process, you will be given your cabin/room assignment and guided where to take your luggage.

Question 5 - How do I register? Registration opens May 16, 2024 and closes August 6, 2024. Copy & Paste the following into your internet browser or click on the link: <https://orpac.org/owa/>

It is our desire to make camp as accessible as we can. We acknowledge that the unique terrain will be difficult for some. We will make available "taxi" service around camp for Chapel and some free time activities. We will do our best to make lodging placements easier for those we know might have mobility struggles. Please be sure to mark the appropriate boxes on the registration form or leave a comment in the section at the bottom of the form.

## Question 4 - Do I get a say in my cabin placement?

You can make a request, but we can't make any promises (Early registration and payment provide you with the best chance of receiving your requested cabin placement). We will do our best to place you with a preferred roommate or put churches together as much as possible. We will need to take into account our guests with limited mobility or other needs. We will make decisions based on the betterment of the whole and do our best to please you all if possible.
