

VALIDATED COURSE OF STUDY DEGREE PROGRAMS

USA/Canada Region Church of the Nazarene

Sept 2024 Update

[USA/Canada validated non-degree programs](#)

The following is a roster of currently validated Course of Study programs offered on the USA/Canada Region. Some students may have completed a program that was validated at one time but is no longer offered. Completing coursework in a previously validated programs still qualifies toward meeting the educational requirements for ordination. Questions concerning any program taken at a Nazarene institution but *not* listed below should be directed to the Global Clergy Development office (pastor@nazarene.org). In the case of students completing a validated program provided by a Nazarene higher education institution outside the USA/Canada Region, rosters of validated programs offered on other regions are available [here](#). The forthcoming (Spring 2025) USA/Canada *Regional Sourcebook for Ministerial Development* provides clear guidance with respect to the proper utilization of validated Course of Study programs provided outside the USA/Canada Region.
