Things to keep in mind:

No Wifi at Camp: It is highly likely that you will not have cell service. Most cell phone providers do not have service at camp. Verizon seems to have the best service, however not always reliable. Please keep this in mind. The camp does have a camp phone that may be used in the case of emergencies.

Camp Bunks:

Camp Bunks have been designed to best accommodate children. If you would like to bring a Sleeping Pad to add to the top of your mattress or prefer a Camping Cot, feel free to bring those items as they may add to your comfort.

Bathrooms/ Showers:

MLBC - There are no individual bathrooms in cabins. Bathrooms/showers are primarily located in bathhouses. Volunteers will have one bath house that will be reserved for them. One side for the female volunteers and one side for the male volunteers. Please plan accordingly.

Camp Volunteer Roles:

Roles are in the process of being assigned and will be individually emailed to you prior to July 31st Mandatory Zoom Training.
